Let's Go Camping! Word Search
 Let's Go Camping! Word Search
 In this worksheet, learners will complete a camping-themed word search puzzle, then answer a prompt inviting them to describe their favorite camping activity or memory.
 2nd grade
 Reading & Writing
 These word search puzzles are free for personal use. They may not be sold or reproduced in any salable form. They may not be used for promotional or marketing purposes. They may not be published elsewhere on the internet. Teachers are welcome to print these puzzles in quantity for classroom distribution. All of the puzzles are meant to be solved the old fashioned way, with a pen or pencil. Select a puzzle and it will open in a new browser window. Then make a printout. It will fit perfectly on a single sheet of 8.5" x 11" paper. The object of each puzzle is to find the listed hidden words. In most of the puzzles there are at least 40 words. The words may be hidden in any direction: horizontally, vertically, diagonally, and forwards and backwards. Once you have found all the words, the remaining letters will spell a secret message. The message will be a word, a phrase, a piece of trivia, or a quotation. A selection of the puzzles are specifically for kids. They have no hidden sentence and they have less than 20 words to find. Bookmark this page and check it each month. New puzzles will be added periodically.
