CATWALK Beauty is a casual game from Studio Smillage. Take a dip on the catwalk, choosing the right clothes in accordance with this theme. Moving along the path at the same time as your opponent, you need to dress the character appropriately. The best you can do this, higher is the score. Each of more than a hundred levels focuses on a specific theme. For example, you have to dress a girl for a wedding, a police uniform, and much more. The control of the main character is not necessary. All you have to do is choose right clothes, hairstyles, shoes, and other offers from the three suggested options. In the end, the judges will give signs and you will know who is the winner. Earn for the completed phases to buy three improvements: charm, score and mood. Also, download Fluvsius Pocket of the World and Clawberta. Download Mod Apk Complex Info CategoryCasual DevelopersMillage Version 1.2.8 Size92 MB Mod Infounlimited Money requires Android 5.0 + is characterized by over ten million users have already extracted beauty walkway. Do it yourself. More than a hundred levels exciting The essence of the game is quite simple. You and your rival walkway path. Initially, you only wear a swimsuit, while other clothing should choose during the route. Each level has a specific theme, be it extreme, basketball, dressed school, marriage or rain. The character walks along the track and chooses underwear, underwear, shoes, and a headgear for a given theme. It is necessary to try to choose the largest number of relevant clothes for this or that occasion. In the end, a special jury will give signs to girls. The winner is the participant who gets the greatest number of points. Among other things, you can effectively push your opponent out of the podium or kick after the victory. Get bonus points for this. Choose from a variety of beautiful clothes another great catwalk thing is that fashion and beauty lovers here can enjoy the range of clothing offered by developers. Choose from beautiful swimsuits, trousers, shorts, t-shirts and sneakers. You can also not complete the task that is at the level, but simply collect any bow you like. Take beautiful images and share them with your friends and friends. Dress well and show that you are the main mod among your friends. Update your heroine to make the game even more interesting, beauty walkway creators have introduced several skills for the hero that you can update. It is the charm, account and mood. Charm will help when the judges give signs (on a scale of ten). Higher is, the most faithful feedback. Therefore, even if to make the wrong choice, you can count on a brand high from the referee. The account dies a bonus at the start. You and your opponent has initially a scale score and, depending on the choice character a s, it goes up or down. Therefore, the account is immediately bonus points at this scale, so that the user will start with an advantage. The mood increases the quantity of money earned at the level. By the way, after passing the podium, you can play roulette and choose the number of additional bonus coins you will receive. However, He must look at an ad for this. Graphics and sound catwalk beauty has colored 3D graphics in a typical beautiful for projects of this kind. However, it is worth noting the beautiful models of the Girls a characters and the abundance of clothing that you can try on. Furthermore, funny music plays during application and when judges give signs, you can The sound of the camera click. Mod Description It takes money to improve your heroine's performance. Earn in-game currency for successful levels, but there is a simpler option. You just need to download the mod for money. Now the number of coins will increase while you spend them. Therefore, you can pump your talents to the maximum, greatly simplifying the gameplay at the beginning of the game. Mod testing Our team has tested the work of the beauty game of the catwalk and mod for unlimited quantity of money. The mod works great, but sometimes it can be difficult to work. If for some reason the mod does not work for you, so don't forget to follow our updates to receive the most up-to-date information about mobile applications. Catwalk Beauty is a time-killer game in which graceful characters, a variety of styles, many levels and easy checks, where you need only one of the three options. Start your search to become the most elegant girl. Choose the right clothes for a particular event and, in the end, collect the best flake that impresses the strict judges. Share your style with your friends and try to complete all a hundred levels. Update your heroine to make it even easier to play. By the way, this application is also suitable for people, because it's always nice to see an elegant girl, and here I'm so so. Our summary CATWALK BEAUTY is a fun application that can entertain and develop your sense of taste. The game has some age restrictions, but most users will be able to enjoy the project.
