As we know, Lal Kitab is originally written in the regional language of Punjabi-Urdu in the Nastaliq (Urdu) script. During the writing period, Urdu writing was among the most popular scripts. Although we know that the Hindi language and devnagari has become a standard Hindi script in India. There are some few Hindi translers available on the market and more details can be obtained from my other post - which is the best Kitab LAL. Here I would like to write about Lal Kitab online in Hindi. Update: July 31, 2012 - Recently, ASTROSAGE.com has also published Hindi translation in devnagari / unicode online format.
