Never drop or insert any object into any openings.6. Do not use this machine outdoors.7. Do not operate this machine where aerosol (spray) products are being used or where oxygen is being administered.8. To disconnect, turn the main switch to the symbol "O" position which represents off, then remove plug from outlet.9. Do not unplug by pulling on the cord. To unplug, grasp the plug and pull, not the cord.10. Keep fingers away from all moving parts. Special care is required around the sewing machine needle.11. Always use the proper needle plate. The wrong plate can cause the needle to break.12. Do not use a bent needle.13. Do not pull or push the fabric while stitching. It may deflect the needle causing it to break.14. Switch the sewing machine to the off, symbol "O" position when making any adjustments in the needle area, such as threading the needle, changing the needle, threading the bobbin, or changing the presser foot.15. Always unplug the sewing machine from the electrical outlet when removing covers, lubricating, or when making any other userservice adjustments mentioned in this instruction manual.16. This sewing machine is not intended for use by young children or impaired persons without supervision.17. Young children should be supervised to ensure that they do not play with this sewing machine.
