Yes. Our website is a unique platform where students can share their papers in a matter of giving an example of the work to be done. Those shared essays represent a vast variety of topics, subjects and formatting styles. They are a bunch of help for those, who are lost in research, creating an outline, choosing the style of writing, etc. If you find papers matching your topic, you may use them only as an example of work. This is 100% legal. You may not submit downloaded papers as your own, that is cheating. Also you should remember, that this work was already submitted once by a student who originally wrote it. Privacy Policy. Will I be spammed after providing you with my e-mail address? We do send letters to all our customer. Mostly they offer you different types of discounts on our products or contain useful information, like links to blog articles and guides.
